

Applying for housing at Uppsala University Housing Office (UUHO)

How do I apply for housing at UUHO?

1. You will receive an **online-link** from your receiving department at Uppsala University.
2. The online-link goes to the **online housing application**. The application form is open:
November 15th – November 30th (Spring semester)
May 15th – May 31st (Autumn semester)
3. **Fill out the online form** and click “Submit”. You can choose your preferred housing areas in your application, but we do not guarantee housing in one of these areas.
4. **Housing Offers are sent out by E-mail** in the beginning of December (Spring), or June (Autumn) and continuously until there are no more applicants or no more rooms available. Check your spam folder during this period in case the offer ends up there.
5. If you receive an e-mail with a housing offer it will contain an internet-link that leads to your Leasing Agreement. **Click the link** and you will see your agreement in your browser.
6. Make sure you **read your Leasing Agreement carefully** – choose your arrival date - then **sign it** by clicking “Yes”. This Leasing Agreement is legally binding and by signing it you accept the details in the agreements as well as the terms of condition. You are liable to pay rent for your entire contract period regardless of your chosen arrival date.

The deadline for signing your leasing agreement is stated in the E-mail (we recommend that you respond as soon as possible). If we haven't received your response on the deadline, we will cancel your reservation and offer your room to another student.
7. Attached to the E-mail with the housing offer are two important documents: **Housing guide** (information about your offered accommodation) and **Arrival information** (how and where to collect your keys). Make sure to **read these two documents carefully** and save them for future reference.

Recommended arrival dates for the autumn semester 2020 are:

August 20th–21st (Uppsala)

August 26th–28th (Gotland).

How do I change my submitted housing application?

For any changes you want to make in your application, send an E-mail to: info@housingoffice.se

What happens after I have accepted the online Leasing Agreement?

After you have received your E-mail confirmation, your leasing agreement is effective and you don't need to provide us with any other information before check in.

If I'm not coming to Uppsala anymore, or I found somewhere else to stay?

If you decide to cancel the offered housing, you must notify UUHO as soon as possible. Send an E-mail to info@housingoffice.se. If you cancel your reservation less than one month before the contract begins, you will be invoiced for the first rent. After the starting date of the contract has passed, the full notice period of the contract must be given to terminate the contract.

IMPORTANT! UUHO only offers full-term contracts with fixed start- and end dates. However, should you have academic reasons for a contract shorter than 4 months, UUHO will try to meet your request. Short contracts can only be set for full calendar months, for example a requested stay from: 18 September-7 November will mean that you pay rent for three full months if UUHO is able to offer you a short-term contract.
